

## Job Posting – Course Instructor

**Posting Date:** July 18, 2024

### **JEH455H1S - Current Issues in Environment and Health**

**Course Description:** This course introduces students to complex issues at the interface between environment and health where health is broadly defined. Each year a current and controversial case study is explored from scientific, medical, political and policy perspectives. The course takes students from the molecular to individual to population and societal levels.

**Estimated course enrolment:** 30 students

**Estimated TA Support:** 80 hours (to be confirmed)

**Schedule:** Lectures on Tuesday 11:00am – 1:00pm

**Sessional Dates:** January 1, 2025 – April 30, 2025

**Salary (0.5 FCE):** \$10,366.55 (for 1st time Cis) or \$9,276.01 (plus vacation pay)

**Qualifications:** Candidates should have a completed Ph.D. (preferred) with recent scholarly contributions in areas related to the course and recent undergraduate teaching experience.

**Preferred Qualifications:** Relevant TA experience within the past 3 years

### **Description of Duties:**

- Preparing course syllabus and course marking scheme;
- Planning and teaching weekly lectures;
- Providing office hours for academic counselling of students;
- Setting and marking assignments/exams and course administration in accordance with University regulations as described in the Faculty of Arts & Science Academic Handbook for Instructors;
- Supervising TAs.

Position is posted at U of T CUPE3902 (Unit 1) Opportunities <https://unit1.hrandequity.utoronto.ca/>

**Closing Date:** August 7, 2024

### **Application Process:**

Applicants should submit an application form available online at: <https://www.hmb.utoronto.ca/about-us/employment-opportunities/cupe-positions/teaching-assistant-course-instructor>, and a cover letter & C.V. (including previous teaching evaluations from non-HMB courses, if available) as one PDF file by the closing date. The file should start with the applicant's last name. Applications should be sent to:

Director, Human Biology Program, Email: [hmb.applications@utoronto.ca](mailto:hmb.applications@utoronto.ca)

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities. If you require any accommodations at any point during the application and hiring process, please contact [uoft.careers@utoronto.ca](mailto:uoft.careers@utoronto.ca). During employment, to request accommodation from the University, contact the supervisor or department chair and/or Health & Wellbeing Programs & Services at [hwb@utoronto.ca](mailto:hwb@utoronto.ca). For more information about accommodations at U of T, please visit our Accommodation webpage. This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement. Candidates who are members of Indigenous, Black, racialized and LGBTQ2S+ communities, person with disabilities, and other equity seeking groups are encouraged to apply, and their lived experience shall be taken into consideration as applicable to the position.
